

Linekong Interactive Group Co., Ltd. 2015 Annual Results **Investor Conference Call**

On behalf of Linekong Interactive Group Co., Ltd. ("Linekong Interactive" or the "Company", which together with its subsidiaries, is referred to as the "Group"; stock code: 8267) cordially invites you and/or your representative(s) to join the investor conference call on 29 March 2016 (Tuesday) in respect of the Group's 2015 annual results.

Linekong Interactive is a leading mobile game developer and provider in the PRC with strong capabilities to self-develop games and publish licensed games. In 2014, the Group ranked tenth among all mobile game developers in the PRC. The Group provides diverse mobile games and superior gaming experiences and possesses a large game player base, with its games being published in 47 countries and regions. The Group has already established subsidiaries in Hong Kong, Korea and the United States and has launched development strategy of "community-based product", "entertaining business" and "marketing internationalization". Linekong Interactive was listed at GEM board of the Hong Kong Stock Exchange on 30 December 2014.

During the teleconference, Mr. WANG Feng, Chairman and CEO of the Group, together with the senior management team will give you an overview of the Group's business and financial results of 2015 and update you on its latest business development strategies and future plans.
