

**Linekong Interactive Group Co., Ltd.
2015 Third Quarterly Results
Analyst Conference Call**

On behalf of **Linekong Interactive Group Co., Ltd.** ("Linekong" or the "Company", which together with its subsidiaries, is referred to as the "Group"; stock code: 8267) cordially invites you and/or your representative(s) to join the analyst conference call on **11 November 2015 (Wednesday)** in respect of the Group's 2015 third quarterly results.

Linekong is a leading mobile game developer and provider in the People's Republic of China (PRC) with strong capabilities to self-develop games and publish licensed games. In 2014, the Group ranked tenth among all mobile game developers in the PRC. The Group provides diverse mobile games and offers superior gaming experiences with a large game player base. At the end of September 2015, the Group has commercialized 19 games in total, including 11 self-developed games and 8 licensed games. Currently, the Group established subsidiaries in Hong Kong, Korea and the US, and its games were published in 48 countries and regions outside mainland China in aggregate. Linekong is dedicated to developing elaborate games, "Pan-entertainment" business and marketing internationalization, leveraging its "Pan-entertainment" strategy of the whole group.

During the teleconference, Mr. WANG Feng, Chairman and CEO of the Group, together with the senior management team will give you an overview of the Group's business and financial results during the period under review and update you on its latest business development strategies and future plans.
