CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

LETTER FROM THE BOARD

GENERAL MANDATES TO ISSUE SHARES AND REPURCHASE SHARES

The Company's existing mandates to issue and repurchase Shares were approved by the Shareholders on June 19, 2020 and will be expired upon the conclusion of the Annual General Meeting unless revoked or varied earlier.

In order to ensure greater flexibility and give discretion to the Directors in the event that it becomes desirable for the Company to issue new Shares, approval is to be sought from the Shareholders, in accordance with the GEM Listing Rules, for the Issue Mandate to issue Shares. An ordinary resolution no. 4(A) will be proposed at the Annual General Meeting to approve the grant of the Issue Mandate to the Directors to exercise the powers of the Company to allot, issue and deal with new Shares up to 20 per cent of the aggregate nominal amount of the issued share capital of the Company as at the date of the passing of such resolution. As at the Latest Practicable Date, there were 367,974,964 Shares in issue. Subject to the passing of the above resolution and on the basis that no further Shares are issued or repurchased after the Latest Practicable Date up to the date of the Annual General Meeting, the Company will be allowed to issue a maximum of 73,594,992 Shares under the Issue Mandate. Nevertheless, the Directors have no immediate plan to issue any new Share pursuant to the Issue Mandate.

In addition, subject to a separate approval of the ordinary resolution no. 4(C), the number of Shares purchased by the Company pursuant to the Repurchase Mandate under ordinary resolution no. 4(B) (if approved by the Shareholders at the Annual General Meeting), will also be added to extend the 20 per cent limit of the Issue Mandate as mentioned in the ordinary resolution no. 4(A), provided that such additional number shall not exceed 10 per cent of the aggregate nominal amount of the issued share capital of the Company as at the date of the passing of such resolution.

In addition, an ordinary resolution no. 4(B) will be proposed at the Annual General Meeting to approve the grant of the Repurchase Mandate to the Directors to exercise the powers of the Company to repurchase Shares representing up to 10 per cent of the aggregate nominal amount of the issued share capital of the Company as at the date of the passing of such resolution. As at the Latest Practicable Date, there were 367,974,964 Shares in issue. Subject to the passing of the above resolution and on the basis that no further Shares are issued or repurchased after the Latest Practicable Date up to the date of the Annual General Meeting, the Company will be allowed to repurchase a maximum of 36,797,496 Shares under the Repurchase Mandate.

An explanatory statement required by the GEM Listing Rules in connection with the Repurchase Mandate is set out in Appendix II to this circular.

LETTER FROM THE BOARD

The Issue Mandate (including the extension thereof) and the Repurchase Mandate, if granted, shall continue to be in force during the period from the date of passing of the resolutions for the approval of the same up to the earliest of (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by any applicable law or the Articles of Association to be held; or (iii) the revocation or variation of such mandate by ordinary resolution of the Shareholders in general meeting.

RE-ELECTION OF RETIRING DIRECTORS

In accordance with Article 16.18 of the Articles of Association, Ms. Liao Mingxiang, Ms. Zhao Yifang and Mr. Zhang Xiangdong shall retire by rotation at the close of the Annual General Meeting. Each of Ms. Liao Mingxiang, Ms. Zhao Yifang and Mr. Zhang Xiangdong is eligible to, and offers himself/herself for re-election as a Director at the Annual General Meeting.

The Nomination Committee was delegated with the responsibility in making recommendations to the Board for the re-election of retiring Directors at the Annual General Meeting. The Nomination Committee noted that each of the retiring Directors is eligible and willing to offer himself/herself for re-election at the Annual General Meeting and advised the Board to recommend the Shareholders to vote in favour of each of the resolutions in relation to the re-election of the retiring Directors. As Ms. Zhao Yifang and Mr. Zhang Xiangdong are members of the Nomination Committee, each of Ms. Zhao Yifang and Mr. Zhang Xiangdong abstained from voting on the resolution in relation to his/her own nomination when it was being considered.

When considering the recommendation, the Nomination Committee has followed the Nomination Policy and took into account the diversity aspects (including but not limited to gender, race, age, language, cultural and educational background, industry experience, technical and professional skills and/or qualifications, knowledge, length of services and time to be devoted as a Director) as set out in the Board Diversity Policy, with due regards to the business model and specific needs of the Group. For details of the Nomination Policy and the Board Diversity Policy, please refer to the 2020 annual report of the Company.

Having due regard to the Board Diversity Policy, the business model and specific needs of the Group, the Nomination Committee considers and the Board concurs that the re-election of each of the retiring Directors is in the best interest of the Company and Shareholders as a whole, taking into account (i) the fact that the retiring Directors are familiar with the business of the Group; (ii) the contributions of the retiring Directors to the Board; (iii) Ms. Liao Mingxiang has vast experience in the game industry; (iv) Ms. Zhao Yifang has vast experience in the film and television entertainment industry; and (v) Mr. Zhang Xiangdong has extensive experience in the

LETTER FROM THE BOARD

internet industry. In addition, as Ms. Liao and Ms. Zhao are two of the three females among the eight Directors, the Board considers that the re-election of Ms. Liao and Ms. Zhao can contribute to the diversity of the Board.

Each of Ms. Zhao and Mr. Zhang did not hold any cross-directorships or had any significant links with other Directors through involvement in other companies or bodies nor was holding seven or more listed company directorships as at the Latest Practicable Date.

Biographies and other information of the retiring Directors who have offered themselves for re-election at the Annual General Meeting are set out in Appendix I to this circular.

The following is an explanatory statement required to be sent to the Shareholders under the GEM Listing Rules in connection with the proposed Repurchase Mandate.

SHARE CAPITAL

As at the Latest Practicable Date, the total number of Shares in issue was 367,974,964 Shares. Subject to the passing of the resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased after the Latest Practicable Date up to the date of passing of such resolution, the Company will be allowed to repurchase a maximum of 36,797,496 Shares (subject to share consolidation or subdivision) which represent 10 per cent of the aggregate nominal value of issued share capital of the Company, during the period from the date of passing of such resolution up to the earliest of (i) the conclusion of the next annual general meeting of the Company; or (ii) the expiration of the period within which the next annual general meeting of the Company is required by any applicable law or the Articles of Association to be held; or (iii) the revocation or variation of the Repurchase Mandate by ordinary resolution of the Shareholders in general meeting.

REASONS AND FUNDING OF REPURCHASES

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole to seek a general authority from the Shareholders to enable the Company to repurchase its Shares on the Stock Exchange. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders as a whole.

Repurchases of Shares will be financed out of funds legally available for such purpose and in accordance with the Articles of Association, the Cayman Companies Act and the GEM Listing Rules. The Cayman Companies Act provides that the amount of capital repaid in connection with a share repurchase may be paid out of the profits of the Company or the proceeds of a fresh issue of Shares made for the purposes of the repurchase or out of capital subject to and in accordance with the Cayman Companies Act. The amount of premium payable on repurchase may only be paid out of either the profits of the Company or from sums standing to the credit of the share premium account of the Company.

The Directors have no present intention to repurchase any Share and they would only exercise the power to repurchase in circumstances where they consider that the repurchase would be in the best interests of the Company. The Directors consider that, based on the current prevailing market price, even if the Repurchase Mandate is to be exercised in full, it would not

have a material adverse impact on the working capital and the gearing position of the Company as compared with the positions disclosed in the audited consolidated financial statements of the Company as at December 31, 2020, being the date to which the latest published audited consolidated financial statements of the Company were made up. In any event, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

GENERAL

To the best of their knowledge, having made all reasonable enquiries, none of the Directors nor any of their close associates, as defined in the GEM Listing Rules, currently intend to sell any Share to the Company or its subsidiaries, in the event that the Repurchase Mandate is granted by the Shareholders.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the GEM Listing Rules and the applicable laws of the Cayman Islands.

No core connected person (as defined in the GEM Listing Rules) of the Company has notified the Company that he/she has a present intention to sell any Share to the Company, or has undertaken not to do so, if the Repurchase Mandate is granted.

If as a result of a repurchase of Shares by the Company pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or group of Shareholders acting in concert, depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, Mr. Wang Feng is the largest Shareholder of the Company, and interested in 79,216,540 Shares (including (i) 66,576,160 Shares held through his wholly-owned company, Wangfeng Management Limited; (ii) 4,207,072 Shares held directly by him; and (iii) 8,433,308 restricted share units granted to him under the restricted share unit scheme of the Company entitling him to receive 8,433,308 Shares subject to vesting). In the event that the Directors exercise the Repurchase Mandate in full, the interest of Mr. Wang Feng will be increased

from 21.53% to approximately 23.92%. On the basis of the aforesaid increase in interest, the Directors are aware that exercising the Repurchase Mandate in part or in full would not result in Mr. Wang Feng becoming obliged to make a mandatory offer under Rule 26 of the Takeovers Code.

The GEM Listing Rules prohibit a company from making repurchase on the Stock Exchange if the result of the repurchase would be that less than 25 per cent (or such other prescribed minimum percentage as determined by the Stock Exchange) of the issued share capital would be in public hands. The Directors do not propose to repurchase Shares which would result in less than the prescribed minimum percentage of Shares in public hands.
