PROFIT WARNING

This announcement is made by Linekong Interactive Group Co., Ltd. (the "**Company**", together with its subsidiaries, the "**Group**") pursuant to Rule 17.10(2) of the Rules Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (the "**GEM Listing Rules**") and the Inside Information Provisions under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors (the "**Board**") of the Company wishes to inform the shareholders and potential investors of the Company that, based on the preliminary assessment of the unaudited consolidated management accounts of the Group for the six months ended 30 June 2026 ("**1H2026**") and the information currently available, it is expected that:

(i) the Group will record revenue of approximately RMB12.3 million to RMB15.0 million for 1H2026, representing a decrease of approximately 47.4% to 56.8% as compared to the revenue of approximately RMB28.5 million for the six months ended 30 June 2025 ("**1H2025**"); and

(ii) the Group will record a net loss of approximately RMB43.4 million to RMB53.0 million for 1H2026, as compared to a net profit of approximately RMB11.1 million for 1H2025.

Furthermore, based on non-IFRS measures, the Group is expected to record an adjusted net loss of approximately RMB11.9 million to RMB14.5 million for 1H2026, representing an increase of approximately RMB4.1 million to RMB6.7 million from the adjusted net loss of approximately RMB7.8 million for 1H2025; the adjusted net loss is unaudited management data and is calculated by excluding non-operating and one-off profit or loss items such as changes in the fair value of financial assets, impairment on intangible assets and losses on disposal of intangible assets from the net loss.

The Board is of the view that the expected decrease in revenue was mainly due to the Group's film business being affected by project cycles. The expected turnaround from profit to loss was mainly attributable to the combined effects of: (i) holding losses (including impairment) on the Group's crypto assets ; (ii) the changes in the fair value of equity investments and other financial assets; and (iii) the increase in research and development expenses.

The information contained in this announcement is only based on the preliminary review of the unaudited consolidated management accounts of the Group for 1H2026 and the information currently available to the Board, which are subject to finalisation and have not been confirmed or reviewed by the Company's auditor or audit committee. Therefore, the information contained in this announcement may be different from the actual interim results of the Group for 1H2026, which are expected to be published on 28 August 2026 in accordance with the GEM Listing Rules.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the securities of the Company.
